

**Why do you charge for a paper copy?**

The charge is an attempt to cover the costs of printer ink, postage, paper, mileage, copies, etc. The hours of organizing, phoning, and typing are all volunteer. Call Kathy at 402-292-7032 if you would like a paper copy from which to make copies to share with others. When the site is complete, each session, paper copies can also be personalized according to your voting districts.
