

**Is there a way I can help with costs?**

Yes, donations are gratefully accepted. Even though VIP is an all-volunteer organization, there are costs incurred making information available to voters. Website upkeep is an ongoing expense; website development for continuing improvements also adds expense, as well as regular office expense. VIP is a non-profit corporation in Nebraska with tax-exempt 501(c)(3) status since November 2013, retroactive to the 2011 incorporation date. Please visit our donation page ([www.voterinformation.org/donate](http://www.voterinformation.org/donate)) to make a donation, and thank you!
